SWAP

Supporting Learning and Teaching

SWAP supports its subject communities by:

- Promoting the effective practice of learning and teaching nationally and internationally through topical events, publications and online teaching resources
- Timely engagement with policy development to influence national and international policy and practice
- Providing funding and resources for pedagogic research and development projects
- Encouraging and providing support for academic workforce development
- Working in partnership with cognate subject centres and stakeholders to develop a shared agenda
- Offering networking, brokerage and consultancy services
- Being a responsive, effective and accountable organisation

Get Involved

It's easy to get involved with SWAP's work. You could:

- **Attend an event, as either a delegate or presenter**
- **Join our discussion lists**
- **Bid for project funding or carry out research**
- **Contribute to SWAP publications such as monographs, case studies or newsletters**
- **Write a book review**

Priority Themes

SWAP's work and publications are currently concentrated in the following areas:

- **Assessment**
- **Continuing professional development**
- **E-learning**
- **Internationalisation**
- **Interprofessional education**
- **Linking research and teaching**

Stay Informed

Registering with SWAP can help you to stay up-to-date on the latest learning and teaching news and events for social policy and social work.

Once registered you can sign up to receive:

- **SWAP Newsletter**
- **Monthly e-bulletin**
- **New publications**
